Please make checks payable to:
North Beach PTA

Questions about the AGC or
Project Play-Dough?

Please contact Kate Rappe at
kate@cmykate.com or Tina Kliman
at jedkliman@comcast.net

Starting February 23rd, every class at North Beach will participate in Project Play-Dough - a fundraising effort for the Academic Giving Campaign (AGC) that pays for **this year's** Art, Music, Saxon Math & Tutoring.

Here's how Project Play-Dough works:
The classes raise some "DOUGH" (money),
and the kids get to "PLAY" (extra recess)!

That's right, for every class that reaches 100% participation in donating to the AGC, the kids will earn an extra recess to play and celebrate their family's contribution to our wonderful enrichment programs that make North Beach so special. We want to stress this is not a competition for the largest amount raised, just an incentive for 100% participation that all kids benefit from throughout the year.

Any amount counts... \$1, \$10, \$100, \$1000 – give whatever your family can give. Families who have given already or give during this program will be checked off a confidential list. Once a class reaches 100% participation, they will receive an extra recess to celebrate their participation in the program. If your family is unable to give anything at this time, please mark the box below and send back in the envelope – your child's name will not be counted against the class and everything is confidential.

It's simple, just fill out the form below and put it in the envelope attached - then mail it into North Beach, send it into the AGC box in the office or give it to your teacher before April 1st, 2010. Donations can be made in cash, check or online at the North Beach PTA website.

Thank you for supporting this years North Beach Art, Music, Saxon Math and Tutoring programs!
